My Birthday Zoo Trip

Hi! My name is Sofia. I'm eleven, and my birthday is in May. This year, my present was a trip to the zoo with my family and my best friend, Leo.

At the zoo, we saw a lot of animals. The giraffes are very tall, and they eat leaves from the trees. The elephants are big and gray, but the baby elephant is small. The lions are big and a little scary. One lion was sleeping in the sun. Leo said, "Is that lion hungry?" The zookeeper said, "No, it isn't. It eats in the evening."

My favorite animals are the monkeys. They are small and very cute. One monkey took Leo's red cap! Leo wasn't happy, but we laughed a lot.

After the zoo, we went home for my party. My mom made a big chocolate cake. My presents were a new bike, a teddy bear and a box of crayons.

Leo's birthday is in October. I want to give him a new red cap!
